# INTRODUCING PROPLEX™

An ever increasing demand for quality combined with economic value whilst remaining environmentally friendly spawned our suite of ProPlex™ products, specifically designed as a collection of complimentary furnishings to enhance any golf course environment.

**ProPlex™ has very quickly established itself as the finest quality recycled material available and is backed by a 50 year limited warranty.**

**Eco-Friendly products that don't cost the Earth.**

Over 320 million tons of plastics are discarded every year. On average 40% of what we discard are single use plastics that often only have an effective lifespan of a few days. ProPlex™ is produced from 100% post-consumer HDPE and already Pinseeker have turned over 16 tons of these single use plastics into long term everyday functional products.

# 8 STANDARD COLOURS COUNTLESS POSSIBILITIES

Not an alternative, Proplex™ actually rivals wood as the material of choice for numerous applications. It's got the look and the most latitude; mix and match ProPlex™ colour combinations to suit your personal taste and environment.

Very colour stable due to UV pigment which resists breakdown from prolonged sun and weather exposure.

**Common Plex Product**

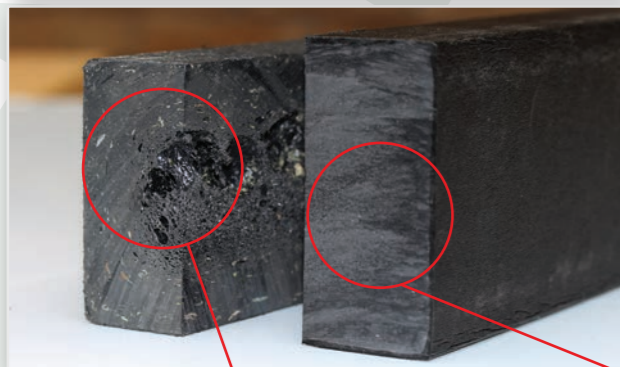

**ProPlex**  
Recycled Plastic Timber

## EVERYTHING ELSE IS A COMPROMISE

ProPlex™ is 100% Post consumer HDPE recycled plastic, some other grades or brands of recycled plastic, while suitable for other lesser quality applications, are often contaminated with unpleasant materials which can leach toxins below ground and can actually absorb moisture leading to mould, discolouration, rotting and unpleasant odours.

The purity of ProPlex™ helps avoid those and any subsequent issues.

Metal Filings

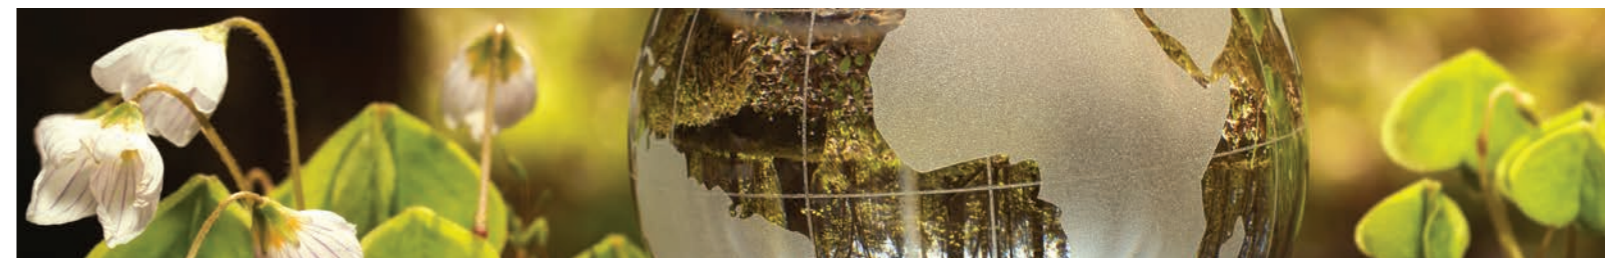

Unknown Contaminant

Highly Porous

Virtually Zero Porosity

100% HDPE

High Density

## CLEANING & MAINTENANCE

A primary benefit of owning a ProPlex™ product is that it requires virtually no maintenance.

Unlike wood ProPlex™ never need to be sealed, stained or painted. The material is highly resistant to stains and a simple clean is all that is required under normal circumstances.

Normal dirt and grime can be easily cleaned with water only and a light stiff brush.

Pressure washing is not required or recommended as there is a possibility that too much water pressure could damage the surface of the material.

## ENTRANCE SIGNS

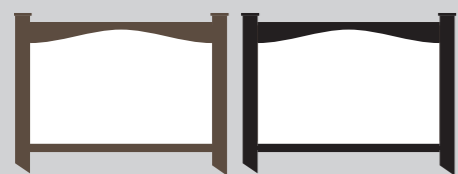

Our entrance signs are bespoke and tailored to your golf course. We can manufacture the entrance sign to any style and are confident the finish to our sign will get your course a second look.

Let us help you make a great first impression!

**Prices From: £595**

(Optional Ground Sleeves Available on Request)

### COLOUR STYLES

**Dimensions:** 1300 x 2395mm  
**Display Area:** 1100 x 670mm

### KNOW THE FACTS

It takes 700 years for a plastic bottle to biodegrade in landfill.

### COLOUR STYLES

**Dimensions:** 995 x 2400mm  
**Display Area:** 815 x 415mm

We can manufacture custom course information signs. Contact us today to see how we can help you.

### KNOW THE FACTS

2012 saw over 400,000 tonnes more plastic collected and recycled than in 2002.

## COURSE INFORMATION SIGNS

As with the course signage, the course information sign needs tailoring to the venue. We create systems that can include weatherproof clocks, sliding and hanging message slats as well as weatherproof poster holders. We pride ourselves on our bespoke design services and as such we are always willing to work with our clients to create a system that fulfils your needs.

**Prices From: £695**

(Optional Ground Sleeves Available on Request)

## GENERAL INFORMATION SIGNS

Catering for all aspects of course information our general information signs are produced to be in keeping with the rest of your course signage, thus helping to maintain a style throughout your venue.

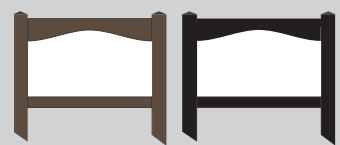

**Prices From: £132.50**  
(Optional Ground Sleeves Available on Request)

## TWIN POST TEE SIGNS

The tee signs at your golf club will be the focal point of your on course signage. With a lifetime of low maintenance service these signs are ideal for even the most challenging of environments.

**Prices From: £235**  
(Optional Ground Sleeves Available on Request)

### COLOUR STYLES

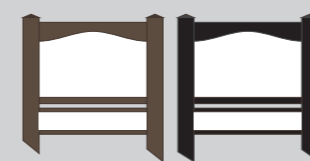

**Dimensions:** 520 x 1000mm  
**Display Area:** 420 x 225mm

### KNOW THE FACTS

Out of all the countries in the UK, Wales has the highest rate of household recycling and Scotland has the lowest.

### COLOUR STYLES

**Dimensions:** 780 x 1180mm  
**Header Plaque:** 600 x 365mm  
**Sponsor Plaque:** 600 x 110mm

### KNOW THE FACTS

13 billion plastic bottles are disposed of every year.

SINGLE POST TEE SIGN  
**SP-PP-65**

# SINGLE POST TEE SIGNS

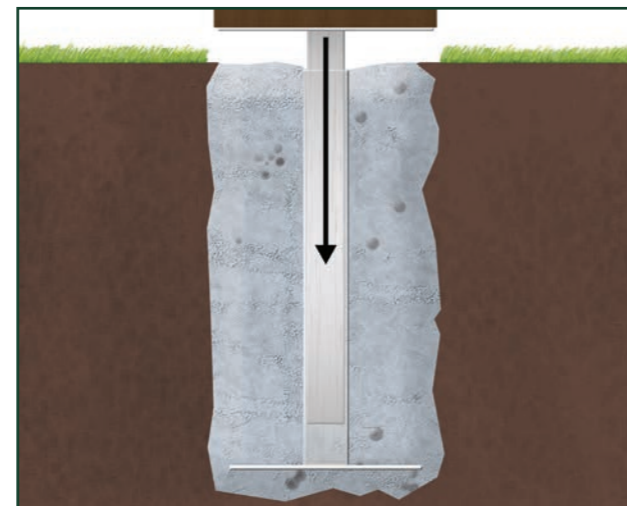

Simple in design, our single post tee sign provides a cost effective solution for many golf courses.

**Prices From: £85**

All our single post tee signs are supplied complete with a two part stainless steel ground socket.

The female socket can be concreted into the ground whilst the male attachment is fixed to the base of the post thus allowing for easy removal for mowing and general maintenance when required.

## COLOUR STYLES

**Dimensions:** 65 x 140 x 600mm

**Tee Plaque:** 110 x 300mm

**Sponsor Plaque:** 110 x 110mm

WEDGE TEE MARKER  
**TM-PP-WEDGE**

# WEDGE TEE MARKERS

Available in black or brown ProPlex™ and supplied complete with Stainless steel spike.

Can be supplied in all colours with or without logo.

**Prices From: £9.75**  
90 x 90 x 70mm

CUBE TEE MARKER  
**TM-PP-CUBE**

# CUBE TEE MARKERS

Available in black or brown ProPlex™ and supplied complete with Stainless steel spike.

Stripe and resin domed decal available in all colours.

**Prices From: £12.75**  
90 x 90 x 130mm

## FINGER POSTS

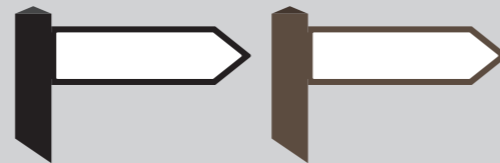

Standing tall and providing clear direction our ProPlex™ finger posts lead the way.

Available in black or brown ProPlex™ with full colour decals.

**Prices From: £165**

### COLOUR STYLES

**Dimensions:** 90 x 90 x 2400mm  
**Finger Dimensions:** 145 x 495mm

### KNOW THE FACTS

If plastic production isn't curbed, plastic pollution in the ocean will outweigh fish pound for pound by 2050.

## FAIRWAY DISTANCE MARKERS

Our fairway distance markers stand at 600mm above ground level, come complete with an aluminium ground socket and are available in green, brown and black ProPlex™. White resin infill is standard for lettering though custom colours are available on request.

**Prices From: £24.50**

### COLOUR STYLES

**Dimensions:** 50 x 50 x 800mm

### KNOW THE FACTS

PET and HDPE are two of the most easily recycled plastics, followed by PVC and low-density Polyethylene.

HAZARD MARKER POSTS  
FW-103

## HAZARD MARKER POSTS

Our 600mm ProPlex™ hazard marker posts feature a square section body that won't rot or fade and are supplied fitted with a stainless ground spike for ultimate longevity.

Prices From: £9.95

ROPE POSTS  
TC-100

## ROPE POSTS

Our ProPlex™ rope posts are available in green, brown or white and are fitted with a stainless steel ground spike plus they're available in 3 sizes: 300mm, 450mm and 600mm.

Our 6mm Polypropylene rope is available in 304mtr (1000ft) spools in Hunter Green, Hunter Green & White, Yellow and White.

Prices From: £8.60

Pinseeker®  
GOLF COURSE EQUIPMENT

ACCENT LITTER BINS  
LB-PP-100  
www.x3mgolf.dk

## ACCENT LITTER BINS

Stylish and robust, our ProPlex™ accent litter bins come in either a single or dual colour scheme. The optional logo detail can be carved and colour filled, carved and left natural or a digitally printed boss. Supplied complete with plastic coated wire mesh liner.

Prices From: £340

### COLOUR STYLES

Dimensions: 510 x 510 x 895mm  
90ltr Capacity

### KNOW THE FACTS

A single recycled plastic bottle can save enough energy to power a light bulb for 3 hours.

CONTACT US ON: 01606 738833  
OR LEARN MORE AT WWW.PINSEEKER.CO.UK

## PLANTER LITTER BINS

Similar to our accent litter bin but with reduced height, also available in a single or dual colour scheme. The optional logo detail can be carved and colour filled, carved and left natural or a digitally printed boss. Solid or hole version lids available with or without locks. When supplied without the lid they make great planters too. Supplied complete with plastic coated wire mesh liner.

**Prices From: £225**

## BIN CONSOLES

Our ProPlex™ Litter Bins with the addition of a ProPlex™ Ball Washer Mounting Post creates a compact console station that is the perfect choice for any course.

**Prices From: £575**

### COLOUR STYLES

**Dimensions:** 510 x 510 x 665mm  
90ltr Capacity

### KNOW THE FACTS

It takes 20 recycled single use plastic cartons to create 1 kilo of ProPlex™. That's 660 cartons for each ProPlex™ Accent litter bin.

### COLOUR STYLES

**Post Dimensions:** 140 x 140 x 1700mm  
**Bin Dimensions:** 510 x 510 x 665mm

### KNOW THE FACTS

The average person in the UK throws away their own body weight in rubbish every 7 weeks.

## DIVOT BOXES

Our "Backsaver" divot mix boxes are extremely robust and compliment the range of ProPlex™ furnishings creating a consistent and professional feel to your golf course. Supplied complete with divot scoop.

**Prices From: £157.50**

### COLOUR STYLES

**Dimensions:** 340 x 510 x 615mm

### KNOW THE FACTS

Recycling 1 tonne of plastic saves 1.5 tonnes of carbon.

## PROPLEX™ SUMMARY

ProPlex™ is 100% Post Consumer HDPE pure recycled plastic. Unlike composites or lesser quality materials, there are no fillers which can absorb moisture and affect performance. We employ traditional joinery construction techniques and Stainless Steel fixings to ensure each piece will perform for many years.

### LOW MAINTENANCE.

Imagine what you could get done without having to deal with regular maintenance. Between machinery & course – you don't need any more maintenance on your hands; fortunately, ProPlex™ takes it out of the equation.

### QUALITY MATTERS.

ProPlex™ material doesn't have fillers—it's 97% pure recycled HDPE. Some other grades of recycled plastic, while suitable for lesser quality applications are often contaminated with unpleasant materials and can actually absorb moisture leading to mould, rotting and unpleasant odours. The purity of ProPlex™ helps avoid those any subsequent issues.

### 8 STANDARD COLOURS, SEVERAL POSSIBILITIES.

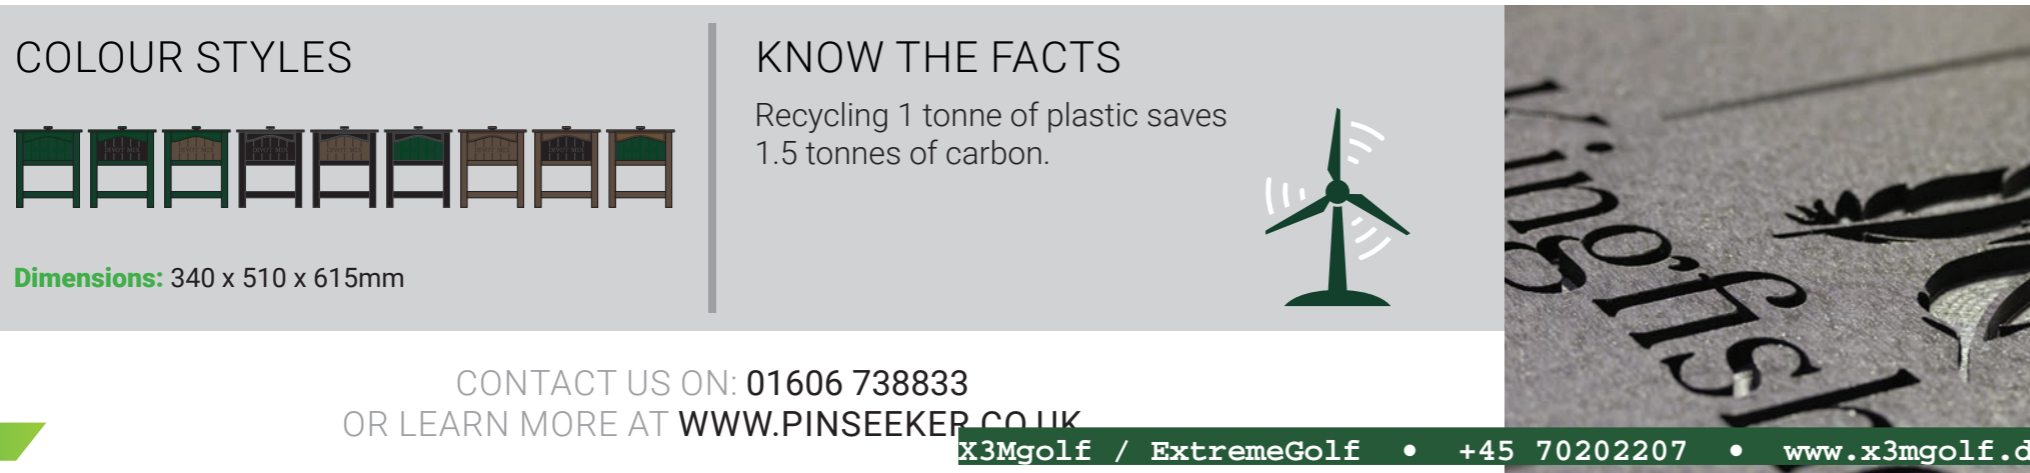

ProPlex™ isn't just an alternative, it actually rivals wood as the material of choice in several applications. It's got the look and the most latitude; mix and match ProPlex™ colour combinations to match your environment.

### FADE-RESISTANT COLOURS.

ProPlex™ stays looking new for many years thanks to bonding agents and UV inhibitors extruded within the material. The colour is uniform throughout the entire thickness of the material making it hard-wearing and aesthetically pleasing.

### MATERIAL LONGEVITY, AND THAT'S GUARANTEED.

ProPlex™ won't harbour insects like wood can meaning it will stay structurally sound in its own right for decades. In fact, we guarantee the material itself will not rot, splinter, decay or suffer structural damage directly from insects or fungal decay for 50 years under normal use. Combined with our manufacturing techniques you'll enjoy a return on investment in the long term through lower maintenance costs and fewer reinvestments.

## Course Guides

### DEMAND HIGH FOR A QUALITY COURSE GUIDE

Our comprehensive range of course guides are used and trusted by hundreds of courses around the world. We also produce books for a number of professional golf tours and events including the R&A Final Qualifying Series.

In a technology lead market, the traditional course guide is still going strong providing information to golfers that GPS and Laser devices simply can't.

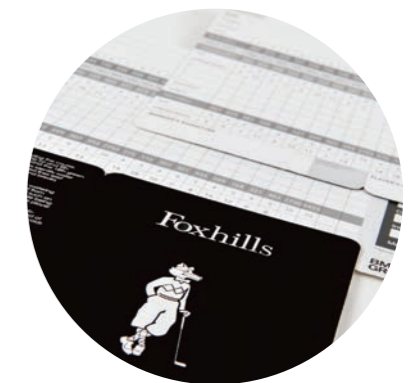

## Scorecards

### A TANGIBLE ELEMENT TO THE GOLFING EXPERIENCE

In addition to practicality and functionality, a scorecard is the touch point of every golfer so make it a positive one! We produce tens of millions of scorecards for clubs and resorts worldwide and know that a little extra effort can have a really positive impact.

Consider adding rounded corners that prevent snagging whilst adding a touch of quality and adding lamination which provides durability.

## Course Measurements

Our experienced surveyors will measure your golf course from tee-to-green in accordance with CONGU regulations. Using state-of-the-art Trimble GPS and Nikon Laser technology we will:

- Measure all medal, forward, ladies and juniors courses
- Verify any on-course markers (100, 150, 200)
- Issue a signed certificate of length for both your local union and management teams
